QADAM - BAQADAM KO'RSATMA

QADAM 01

Higgsfield'da Avatar Yaratish

Higgsfield

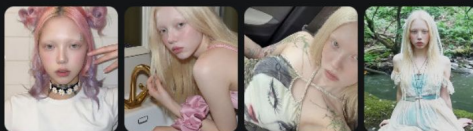

Higgsfield saytiga kirib, **Character bo'limiga** o'ting. Kamida **20 ta aniq yuz rasmi** yuklang — yakka kishi, ochiq yuz, turli burchaklar. Guruhdagi rasmlar, ko'zoynakli, yuzni to'sib turuvchi rasmlardan qoching. Karakterni saqlang va nom bering.

Upload

Upload 20+ photos for best results

20+ photos recommended:
one person, clear face,
multiple angles.

Avoid: duplicates, group shots,
filters, face coverings
(masks/sunglasses).

TIP Sifatli avatar uchun **20+ rasm** tavsiya etiladi. Yuz aniq ko'rinishi, turli yorug'lik va burchaklar bo'lsa — natija yaxshiroq chiqadi.

Pinterest'ga kirib o'zingiz xohlagan **vizual effektli yoki kayfiyatli rasm** tanlang. Bu rasm sizning videongizning umumiy ko'rinishi va atmosferasini belgilaydi.

TIP Referans rasm qanchalik **aniq atmosfera va yorug'lik**ka ega bo'lsa — AI shuncha yaxshi natija beradi.

Higgsfield'da **Image bo'limiga** o'ting. U yerdan **Higgsfield Soul 2.0** ni tanlang — "Next generation ultra-realistic fashion visuals" deb yozilgan yangi model.

TIP Bitta rasm = butun video. Multi-shot texnikasi bir xil avataringizni barcha kadrlar boylab konsistent saqlaydi.

NATIJA – 5 SHOT

TAYYOR KADRLAR

ESTABLISHING

SIDE WORKING

SIDE YAQIN

QO'LLAR

KO'ZLAR

5 SHOT PROMPTLARI

DOLLY-IN

WIDE → MEDIUM

ESTABLISHING

CALM ATMOSPHERE

Birinchi kadr — muhitni tanishtiradi. Kamera kengdan boshlab asta-sekin oldinga yuradi. Belgi tinch, tashvishsiz o'tiradi.

KLING PROMPT — SHOT 01

REFERENCE Use the first image as the start frame. Keep environment: desk, chair, CRT computer exactly the same. CHARACTER @character (face, hair, hands) CAMERA starts wide. Slowly moves forward (dolly in). Character sits calmly. DETAILS Grass slightly moving in the wind. Calm atmosphere. CAMERA Smooth forward movement. Fully stabilized. No shake.

SIDE ANGLE

STATIC CAM

MINIMAL MOVEMENT

FOCUSED

Yon tomondan statik kadr. Belgi kompyuterda ishlaydi — minimal harakat, maksimal konsentrilik.

KLING PROMPT — SHOT 02

REFERENCE Same environment continues. CHARACTER @character ACTION Side angle shot. Character working on computer. Minimal movement. CAMERA Static. EMOTION Focused. Calm.

CLOSE-UP

HANDS

STATIC CAM

NATURAL MOVEMENT

Klaviatura va qo'llarning yaqin kadri. Barmoqlar tabiiy tarzda harakat qiladi.

KLING PROMPT — SHOT 03

REFERENCE Keyboard must match first image computer style. CHARACTER @character (hands) ACTION Hands typing on keyboard. Natural finger movement. CAMERA Static. Close-up.

CLOSE-UP

HAND ACTION

MOUSE CLICK

STATIC CAM

Qo'l sichqonchani chapga suradi, keyin bosadi. Statik kamera, yaqin plan.

KLING PROMPT — SHOT 04

REFERENCE Mouse must match first image setup. CHARACTER @character (hand) ACTION Hand moves mouse slightly to the left. Then performs a click. CAMERA Static. Close-up.

EXTREME CLOSE-UP

EYES

SHALLOW DOF

ANALYTICAL

Ko'zlarning ekstremal yaqin kadri. Belgi to'g'riga qaraydi — jiddiy, diqqatli, tahliliy.

KLING PROMPT — SHOT 05

CHARACTER @character ACTION Extreme close-up of eyes. Character looking forward. EMOTION Serious. Focused. Analytical. CAMERA Static. Shallow depth of field.

NEGATIVE PROMPT

Barcha Shotlar Uchun — Global Taqiq

GLOBAL NEGATIVE — BARCHA SHOTLARGA QO'SHING

Nusxa

no camera shake no glitches no modern computer no environment change no lighting change no extra objects no face distortion no identity change

YAKUNIY QOIDALAR — FINAL RULES

- Birinchi rasm = asos.** Barcha kadrlar shu rasmdan kelib chiqadi.
- Bir xil dunyo.** Barcha shotlar bir muhitda, bir atmosferada bo'lishi kerak.
- @character konsistent.** Birinchi rasm uslubiga to'liq mos bo'lishi shart.
- Tabiiy kesim.** Shotlar orasidagi o'tish silliq va natural ko'rinishi kerak.
- Umumiy kayfiyat.** Sokin, sinematik ketma-ketlik — xaos yo'q.
- Yorug'lik o'zgarmasin.** Barcha kadrlar bir xil yorug'lik sharoitida bo'lishi kerak.
